

NOTICE TO POLICE AND LAW ENFORCEMENT OFFICERS

Exercise of Right to Remain Silent

Upon the advice of legal counsel, all of the residents and occupants of this residence/premises refuse to speak to anyone without an attorney present and each expressly invokes their Fifth Amendment right to remain silent.

No Consent to Any Warrant-less Search

None of the occupants of this residence/premises consent or give permission for anyone to enter this residence/premises or handle, take, or seize any property herein, attached to, or located on, this residence, premises, or property without a warrant listing this residence, premises, and/or property as the premises to be searched and the property sought to be seized specifically mentioned in the warrant.

All of the occupants of this residence/premises refuse to show, demonstrate, provide you, any property located herein.

Searches With a Warrant

If you are in possession of, or obtain, a warrant you may contact the occupants of this residence/premises at the following phone number _____. At that time the occupants of this residence will exit the residence/premises according your instructions. The occupants of this residence/premises demand a copy of the warrant at that time.

In exiting this residence/premises according to law enforcement's demands, acting under color of a warrant, the occupants do not expressly or implicitly consent to the search of this residence, premises, or property or seizure of any of the property therein, attached to, or located on the residence, premises, or property.

In exiting this residence/premises and following the demands of law enforcement acting under color of a warrant, the occupants do not waive their right to remain silent, they refuse to discuss anything with law enforcement, and they will not answer questions without their attorney present.

Desire to Contact Legal Counsel

All residents and occupants hereby request that they be allowed to contact their attorney as soon as possible. If any member of law enforcement would like to speak to the residents/occupants attorney and perhaps facilitate their investigation, the occupants/residents lawyer can be contacted at:
