Approx. Mile Marker HWY 44	Location Description HIGHWAY 44 – LOCATIONS AT HWY 44	Long Lat Per County Internet Map 5/2021 AT HWY 44 (APPROX)	Note the following: When choosing to report information, be sure to PARK YOUR VEHICLE IN A SAFE LOCATION AND OBEY ALL TRAFFIC LAWS. Thank you Rick for Assistance with earlier version. Thank you Village F7. Note... that at Shingletown, Caltrans has reset the mile markers due to a change in the location of the formal start of Hwy 44 in Redding. This reset results in a discrepancy of mileage values between Wilson Hill Rd and Alward Way. If you use the data in the table you will be okay for purposes of reporting your location for Fire/Smoke. Options If you choose not to use the Hwy 44 locations then report your exact residence, work, or travel location using street names and cross streets, etc. Also, your providing nearest Hwy. 44 marker may help Net Control.
