

12/16/2021 SHINGLETOWN EMERGENCY RADIO (Practice Net: PRIM 505 W/ 760 Silent Monitoring)

Updated report: Our SER practice Nets tonight did NOT have any DRILL REPORTS.

AFTER ACTION POINTS:

1. All STATIONS NEED TO WORK ON THEIR OUTSIDE ANTENNAS FOR SIMPLEX.
2. ALL STATIONS SHOULD HAVE BATTERY BACKUP OR OTHER MEANS TO KEEP RADIOS ON 24/7 WHEN THERE ARE PG&E OUTAGES.
3. WE HAD MULTIPLE NEIGHBORHOODS (THEYDIDN'T REPORT IN TONIGHT) WITHOUT ELECTRICAL, WITHOUT TELEPHONE, WITHOUT INTERNET, DOWNED POWER LINES, ETC...
4. 760 REPEATER NOT USED TONIGHT AS PRIMARY. REASON-TO CONSERVE BATTERY FOR ANY EMERGENCY TRAFFIC (SILENT MONITORING DURING NET).
5. WAKE UP CALL: STATIONS TURNING OFF RADIOS TO SAVE BATTERY DURING POWER OUTAGES TOTALLY DEFEATS THE CONCEPT OF EMERGENCY COMMUNICATIONS. SOMEONE HAS TO BE ON FREQUENCY AT THE TIME YOU HAVE AN EMERGENCY!
6. NON HAMS WILL BE CRITICAL DURING AN EMERGENCY AS WE DO NOT HAVE ENOUGH HAM OPERATORS HELPING SHINGLETOWN DURING EMERGENCIES. THUS, WE ALL MUST PRACTICE.

Reminder: If non hams stations have no hams to relay your neighborhood reports into the Ham net, please send me your report (in the proper format) to - zlaw@taxsos.com. During emergencies, non hams would use the Ham frequencies. Summary (updated for e-mail reports & phone):

	ACTUAL	DRILLS	TOTAL
Divisions	5	No drills done tonight	5
Areas / Neighborhoods	7	-	7
TOTAL # of individual Area Reports processed by Ham NCS and Mapping Stn(s)	17	-	17

TOTAL STN RPTS PROCESSED	17	0	17

TOTAL NET TIME : **APPROX. 13 minutes** ^

Note: if you can't reach the repeater – try the 505 relay net (simplex as an option). Also, try adjusting o/s antenna as to location and/or height.

** Non Hams – via e-mails. In emergency, non hams would use the Ham frequency

^ Net time includes all Area Neighborhood Nets (on their respective CH 1's); Ham Nets on Primary -760 and Relay-505; and standard Ham Net infrastructure Tacticals); reporting, report relays, posting reports, summary, analysis, and NC recommended action / non action.

PLEASE HAVE YOUR NEIGHBORHOOD JOIN IN. YOUR INDIVIDUAL NEIGHBORHOOD SITREP NET SHOULD ONLY TAKE YOUR NEIGHBORHOOD ABOUT 9 MINUTES TOTAL. Emergency Activations require additional time. WE NEED MORE HAM RADIO OPERATORS TO HELP OUT AND FOLLOW THE SER PLAN. Thank you, Nathan K6PDS 530-474-3267
